#### 2. Definitions:

- a) **“Scheduled Maintenance Time”** shall mean the time that the System is not in service due to a scheduled activity as defined in this SLA. The scheduled maintenance time would not be during 16X6 timeframe. Further, scheduled maintenance time is planned downtime with the prior permission of the Uttarakhand Police.
- b) **“Scheduled operation time”** means the scheduled operating hours of the System for the month. All scheduled maintenance time on the system would be deducted from the total operation time for the month to give the scheduled operation time. The total operation time for the systems and applications within the Primary DC, DRC and critical UK Police site infrastructure will be 24x7x365. The total operation time for the other UK Police site systems shall be 18 hours.
- c) **“System or Application downtime”** means accumulated time during which the System is totally inoperable within the Scheduled Operation Time but outside the scheduled maintenance time and measured from the time the Uttarakhand Police / UKCOPS and/or its officials/employees log a call with the SI team of the failure or the failure is known to the SI from the availability measurement tools to the time when the System is returned to proper operation.
- d) **“Availability”** means the time for which the services and facilities are available for conducting operations on the Uttarakhand Police system including application and associated infrastructure. Availability is defined as:  
 **$\frac{\{\text{Scheduled Operation Time} - \text{System Downtime}\}}{\{\text{Scheduled Operation Time}\}} * 100\%$**
- e) **“Helpdesk Support”** shall mean the 16x6 basis support centre which shall handle Fault reporting, Trouble Ticketing, and related enquiries during this contract.

- d) If the operations at Primary DC are not switched to DRC within the stipulated timeframe (Recovery Time Objective), it will be added to the system downtime.
- e) The availability for a cluster will be the average of availability computed across all the servers in a cluster, rather than on individual servers. However, non compliance with performance parameters for infrastructure and system / service degradation will be considered for downtime calculation.
- f) The SLA parameters shall be monitored on a monthly basis as per the individual SLA parameter requirements. However, if the performance of the system/services is degraded significantly at any given point in time during the contract and if the immediate measures are not implemented and issues are not rectified to the complete satisfaction of the Uttarakhand Police / UKCOPS or an agency designated by them, then the Uttarakhand Police / UKCOPS will have the right to take appropriate disciplinary actions including termination of the contract.

Where required, some of the Service Levels will be assessed through audits or reports e.g. utilization reports, measurements reports, etc., as appropriate to be provided by the SI on a monthly basis, in the formats as required by the Uttarakhand Police The tools to perform the audit will need to be provided by the SI. Audits will normally be done on regular basis or as required by the Uttarakhand Police/UKCOPS and will be performed by the Uttarakhand Police / UKCOPS or the appointed third party agencies.

- h) EMS system as specified in this RFP shall play a critical role in monitoring the SLA compliance and hence will have to be customized accordingly. The 3rd party testing and audit of the system shall put sufficient emphasis on ensuring the capability of EMS system to capture SLA compliance correctly and as specified in this RFP. The selected System Integrator (SI) must deploy EMS tool and develop additional scripts (if required) for capturing the required data for SLA report generation in automated way. The tool should also be capable of generating SLA reports for a half-year. The Uttarakhand Police / UKCOPS will audit the tool and the scripts on a regular basis. SPMC shall assess the EMS requirements and include the same in the RFP.

  - II) The number of violations in the reporting period for each level of severity will be totaled and used for the calculation of Penalties.
    - a. If the total number of credits gained by the SI is lower than the total number of high severity violations in the reporting period, the total number of credits will be subtracted from the total number of High Severity Violations in the reporting period for the calculation of Penalties.
    - b. If the total number of credits gained by the SI is higher than the total number of high severity violations in the reporting period, the resultant total number of high severity violations in the reporting period for calculation of penalties will be considered as zero (0).
  - III) Penalties applicable for each of the high severity violations are two (2) % of respective quarterly payment to the SI.
  - IV) Penalties applicable for each of the medium severity violations are one (1%) of respective quarterly payment to the SI.
  - V) Penalties applicable for each of the low severity violations is half percentage (0.5%) of respective quarterly payment to the SI.
  - VI) Penalties applicable for not meeting **a high (H) critical** performance target in three consecutive quarters on same criteria shall result in additional deduction of 5% of the respective quarterly payment to the SI. Penalty shall be applicable separately for each such high critical activity.
  - VII) Penalties applicable for not meeting **a medium (M) critical** performance target in three consecutive quarters on same criteria shall result in additional deduction of 3% of the

respective quarterly payment to the SI. Penalty shall be applicable separately for each such medium critical activity.

VIII) Penalties applicable for not meeting **a low (L) critical** performance target in three consecutive quarters on same criteria shall result in additional deduction of 2% of the respective quarterly payment to the SI. Penalty shall be applicable separately for each such medium critical activity.

IX) It is to be noted that if the overall penalty applicable for any of the review period during the currency of the contract exceeds 25% or if the overall penalty applicable for any of the successive quarter during the currency of the contract is above 15%; then the Uttarakhand Police / UKCOPS shall have the right to terminate the contract.
